Summary

INTERPHEX Week Tokyo, now in its 25th edition, surpassed all expectations and emerged as a resounding triumph! Set against the vibrant backdrop of Tokyo Big Sight in Japan, the event captivated attendees from all over the globe. With an impressive lineup of 849 exhibitors, the show drew a staggering 27,826 visitors, along with 8,545 conference attendees and 108 press members, creating a dynamic ecosystem of innovation and knowledge exchange.

Renowned as Asia's leading comprehensive pharma and cosmetics industry event, INTERPHEX Week Tokyo delivered on its promise, enabling exhibitors to showcase their pharmaceutical technologies to diverse industries.

This gathering of industry experts, coupled with the immense exposure and unprecedented business opportunities, made INTERPHEX Week Tokyo an unforgettable experience, leaving both exhibitors and attendees exhilarated by the remarkable technology trends and connections forged.

OVERVIEW

Throughout the immersive three-day event, exhibitors astounded attendees with captivating presentations and hands-on demonstrations, showcasing their cutting-edge technologies and materials.

The sheer enthusiasm for pharmaceuticals and cosmetics was evident as a diverse crowd eagerly gathered to witness these groundbreaking innovations up close within the four specialised shows of INTERPHEX Week Tokyo.
